## The YMCA Camper Code of Conduct

**Campers, please read:** I have reviewed the Parents Guide and Equipment List with my parents and understand that I am responsible for my behavior while I am at camp. I have reviewed the list of things that are not allowed and have not packed any of them. I am excited about my camp experience and I am coming because I want to. If I do not follow the camp rules, I understand that I may be sent home, without a refund. I will do my best to make this a good experience for me and for the other kids at camp.
