***Beach camping available for all 2016 dates.**

Camping locations are first come first served within the designated area after 4pm on check-in day.

***Limited cabins are available for spring and fall dates** - Cabins are not guaranteed for all guests and availability is limited and hold between 12 and 16 guests. You will need a minimum of 12 people to request a cabin.

To request a cabin you will need all families in your party to send in their registration forms within a 24hr period listing each other as 'family requests'.

Payment is required in full at time of registration and can be made by one person on behalf of the entire family group or by each family individually.

Once we have received all forms in your party, payment will be processed and the reservation confirmed.

If, after this time, we have not received all forms and payments, we will notify one of the families that the cabin reservation will be cancelled.

If you have any questions, please contact cjones@ymca.org.

Kind Regard, Clayton Jones
