Dear Ed:

Just a note to express my appreciation for the fine way you helped me with the County "Y" Camp program this summer. I am very happy to have made your acquaintance, and regret that we were so rushed during those busy Camp days that I did not get to know you better. Now that we are all back, and we can look over the fun, work and experiences of Camp, I hope you can say: "It was a good experience; I'm glad I went, and I'll go again if I can."

You know, about a thousand boys were served by Camp Marston this summer, hitting a new all-time high for the Camp. That's right, and we couldn't have done it without the help and loyalty of guys like you. So again I say, "Thanks."

Believe me, the "Welcome Mat" is out in front of the County "Y" office, second floor of the "Y" Building, and I hope you'll drop in and let me know how the world's treating you.

Best of luck for the coming school year--think, plan prepare ! The years just ahead are going to need Christian leaders that "know the score."

Always your friend,

*Woody*
